### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Donald E. Stout on 01/10/05.

The application has been amended as follows:

Claim 1:

First paragraph:

In line 4, the word "the" before the word mobile has been replaced by --a--.

In line 6, the word "a" before the word mobile has been replaced by --the--.

Paragraph five:

In line 4, the word "a" before the word modulation has been replaced by --the--.

Paragraph six:

In line 3, the word "a" before the word modulation has been replaced by --the--.

In line 6, at the end of the paragraph a period --- has been added.

2. The following is an examiner's statement of reasons for allowance: the prior art does not teach or fairly suggest the combination of elements and features as claimed, which includes: computing a frame error rate of data packet transmission to a mobile station and comparing that

calculated frame error rate to a threshold frame error rate; computing a throughput data rate of data packet transmission to the mobile station and comparing that calculated throughput data rate to a threshold throughput data rate; generating a trigger at the mobile station which identifies which of frame error rate or throughput is to be used to control selection of a modulation and coding selection method to be used at a base transceiver station to transmit data packets on a forward shared channel to the mobile station; and transmitting the generated trigger to the base transceiver station where the trigger is used at least as part of a selection criteria for choosing one of a frame error rate or a throughput dependent modulation coding selection method used to transmit the data packets on the forward channel to the mobile station (as in claims 53 and 55).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Saba Tsegaye whose telephone number is (571) 272-3091. The examiner can normally be reached on Monday-Friday (7:30-5:00), First Friday off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Hassan Kizou can be reached on (571) 272-3088. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
